About Palabras Speech Therapy LLC

Palabras Speech Therapy LLC is owned and operated by Marianna Rivera MA CCC-SLP/L. Marianna offers pediatric, bilingual speech & language therapy services in English & Spanish to Chicago. We also work with school districts in the Chicagoland area to complete bilingual speech and language evaluations. Ensure that your school district's SPED department is conducting their evaluations with bilingual and ELL students to the highest standard of linguistic & cultural appropriateness and inclusivity.

About Marianna Rivera MA CCC- SLP/L

Marianna is the owner of Palabras Speech Therapy LLC. She has experience working in public elementary schools where her caseload was >90% English- Spanish bilingual. She received her Masters in Speech- Language Pathology from the University of Illinois- Urbana

Champaign. She holds a Professional Educators License from ISBE as well as an endorsement in Bilingual Special Education- Spanish.

Marianna is highly skilled in the assessment & treatment of communication disorders in bilingual children and has guest lectured on this topic for Springfield Public Schools, Northern Illinois University, UChicago Medicine Comer Children's Hospital, and more.
