Consultative Services

Topics:

As a fellow speech- language professional, you may find yourself needing support from another colleague on a specific clinical case you're working on, needing career guidance or mentorship, and so on. Palabras Speech Therapy LLC is happy to offer consultative services to meet fellow SLPs' needs. We may discuss

- Recommendations for bilingual service delivery (education, assessment, treatment materials, etc.)
- Analysis of specific clinical cases (differential diagnosis, treatment plans, etc)
- Continuing education recommendations
- Ways to advocate for yourself in school settings
- The path to a career in speech- language pathology
- Steps to declaring yourself a bilingual SLP in the state of Illinois (school- setting only)
- Entrepreneurship/ private practice
